

## Construction Notice – Electrical Upgrade Work 64 Ave between 179 and 181a Street, Surrey

We're installing a duct bank and relocating underground power lines from the north side of 64 Avenue to the south side, to prepare for a transit station on the north side.

A duct bank is a series of plastic conduits encased in concrete that house and protect underground cables. Construction will result in some eastbound and westbound lane closures and will impact driveway access on Fraser Highway.

**Where:** 64 Avenue, between 179 Street and 181a Street, in Surrey.

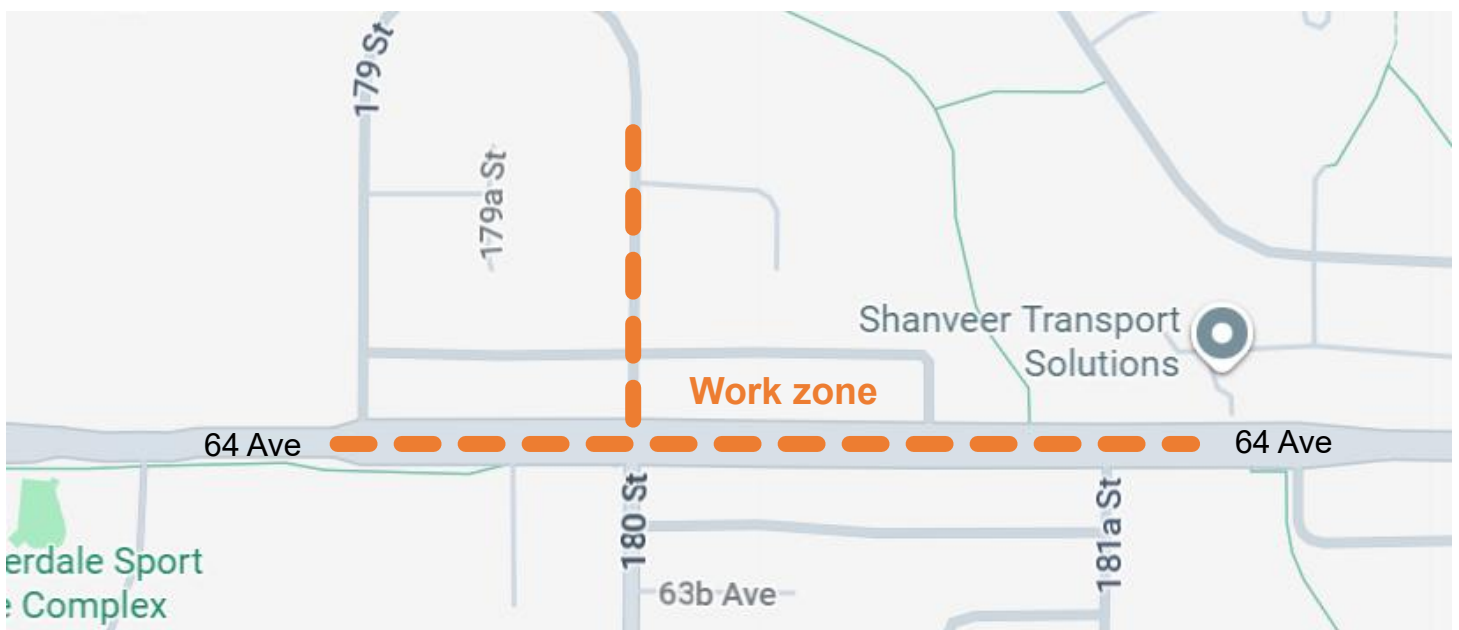

**When:** Anticipated to start August 8 with targeted completion by mid-August.

**Working hours:** Monday to Saturday from 7 a.m. to 5 p.m.

This work requires temporary traffic pattern changes.

- **Traffic will be reduced to one lane** shared in alternating directions, along 64 Avenue. Drivers should expect delays. Please reduce speed and follow the directions of traffic control personnel and posted signage.
- **Access to 180 Street** will not be available at certain times. Please refer to the map for detour options.
- **Sidewalks, bike lanes and bus stops** on this route may not be available. Please follow the onsite signage provided by TransLink and the direction of the crew on site.
